Pets: We welcome responsible owners of dogs and cats only with prior approval at the time of reservation or registration. All pets must have current vaccinations. You are responsible for your pets and their actions.

Service Dogs: Service dogs are always welcome at the outpost. So that we may be aware of and properly allow for your service dog(s), we ask that you inform us that you will be bringing your service dog(s) at the time you place your reservation and again when you check in. You will be asked on our check in form to declare 1) If the dog is a service animal required because of a disability? and 2) What work or tasks has the dog been trained to perform? We request that your service dog(s) be leashed, harnessed or tethered when out of service and when in service if possible.
