

# Treasure Hunt

Join us for the 1<sup>st</sup> annual Treasure Hunt Event presented by the Friends of the Little Manatee River State Park. Your support of this event will go directly to help us support projects in our park

On this treasure hunt, you will search the park trails for keys to treasure and prizes. You may hike the lands trails on foot, ride the trails on horseback or take to the river trail in a canoe or kayak. Follow the map provided for directions to find keys. After your trail quest, turn in your keys for chances to win lots of great prizes, each valued at \$25 or more. You must be present to win prizes and pick up auction items.

There will be live music, display and vendor booths, Cowboy Bingo, corn hole games, a silent auction, and a 50/50 drawing. Lunch will be served (see menu below)

The entry fee is \$25 per participant with advance purchase, \$30 on the day of the event. Prices include one lunch. Extra lunches are available for \$8 each. ## River Paddler Information

Participating in this event on the river by canoe or kayak is slightly different than participating on land. The river trail starts at the Canoe Outpost-Little Manatee River at 18001 US Hwy 301 S. Wimauma, FL. This is 1.5 miles north of the park entrance and the main event field.

Paddlers will come to the outpost starting at 8:00 am to register and launch. To allow time to paddle the trail and for the event, you must launch before 10:30 am. Event participation requires at least one paid participant per boat. Boats with multiple passengers may choose to have multiple paid event tickets to increase the chances of winning prizes and to get the included lunch. Extra lunches are available separately for \$7 each. We recommend that you pre-purchase your event tickets at [www.friendsofthelittlemanatee.org](http://www.friendsofthelittlemanatee.org) to save \$5 per ticket. You should present your paid ticket to the outpost at check in. You may purchase day of tickets at the outpost with cash or credit card.

The paddling trail is along our normal Trip 1 and goes downstream with the current for about six miles or 2.5 hours of paddle time. You will hunt for the treasure keys along the way so allow extra time for that. At the end, outpost buses will meet you at 11:30, 12:15 and 1:00 and transport you to the event field or back to the outpost. You must check in at the event table by 1:30 to turn in your treasure keys and be eligible for prizes and to purchase 50/50 tickets. If you prefer, you may take the bus back to the outpost and then drive yourself to the event field. Be sure to allow extra time.

The Canoe Outpost is providing shuttle service for boat owners for \$10 per boat. They are also offering \$10 discounts off of canoe or kayak rental rates. There must be at least one paid event participant per boat to receive these discounted rates.

On event day, please call the outpost at 813-634-2228 to check that river levels and conditions are suitable for your experience level. River levels above 6' may be too challenging for some experience levels and at river levels above 8', we close the river to all participants. Refunds will be available if these conditions exist or you may choose to participate by other means such as hiking.
